Summer Term 2024

Letter 1

19th April 2024

Headteacher's notes...

Welcome back – I hope you all had a good Easter. It has been good to see the children returning full of enthusiasm this week and we are looking forward to another busy term ahead. A diary has been included at the end of this letter and next week we will also be sending home Curriculum Letters from each year group so you know what work is being covered this term.

Staff were in school earlier this week where we had further training on developing writing. We introduced Talk for Writing last year and have seen children across the school becoming more enthused and enjoying their writing. We are looking to continue this and celebrate all that they achieve.

In our first Assembly on Wednesday, we thought about everyone in our school being valued for who they are. We are all different yet can all contribute to our school and our community, and as part of this, we shared a book called 'All Are Welcome'.

KS2 SATs

These take place for Year 6 from 13th – 16th May and the presentation, which was shared at the meeting yesterday, is available from the front page of the school website.

Year 5 RSE Meeting

The information shared at yesterday's RSE meeting for Year 5 is now available from the front page of the school website.

Staffing Update

We are expecting Mrs Taylor to return from her maternity leave after half term to teach 3 Willow whilst Mrs Bell-Berry will be leaving Brampton at the end of this term to start her well-earned retirement.

Details about Midday Supervisor vacancies are on the school website.

Medication

As we move into the time where hay fever starts for many children, please can we remind you about the use of Piriton and other medications. Medicine should be given to children before school and only in exceptional circumstances should it be given in school. Consent has to be given for this beforehand, and a medication form completed which is available from the school office.

Walk to School Week

This year Walk to School week is 20th – 24th May. Whilst helping to look after our environment, a child's journey to school is recognised as having an impact on their safety as well as their health and personal development. Why not take up the five-day challenge during this week which will also help the children reach their 60 minutes of exercise a day? If you can't walk all the way to school, why not park 5 or 10 minutes away and walk the rest?

PTA News

With the summer term upon us, we're focused on preparing for the summer fayre. We had a catch up with the team earlier this week and we're all excited about what's in store this year! Look out for more updates on this!

But first....

Bags2School - Getting that spring feeling - why not have a clear out this weekend and start filling some bags ready for our next Bags2School collection on 30th April.

Cake Friday - we're just a few weeks away from our next Cake Friday. It's your last chance this year to get stuck into some delicious cakes. Please can Willow classes bake/bring in cakes. We will be looking for volunteers to help on the day so keep an eye out for sign ups.

We're also just finalising dates for our summer discos so we'll share more on that once these are confirmed.

Many thanks

PTA Team
